October 2010

Chapter Notes

Now that the cool Fall weather is here, it's a great time to get out on the trail and enjoy the backcountry. We have a training ride through the Bosque scheduled at the end of the month, so come to the next meeting for details and to sign up.

Happy Trails

Meeting Presentation

A representative from a therapeutic riding program in Belen will be invited to make a short presentation at the next meeting. Come find out how the program works, what it accomplishes, and how you can help.

Got Tools?

The Chapter is updating the inventory of trail maintenance tools. If you have any tools that belong to the chapter stuck in your garage or trailer, bring them to the next meeting or let Rodney (rwoods@fuse.net) know what you have.

October Training Ride

Michelle Darrah will be leading a training ride through the Bosque from main street in Los Lunas up to the Isleta Reservation on Sunday, 24 October. The cotton woods should be turning color by then, so it should be a great ride through the trees. Come to the October meeting for more details on schedule and plans.
